Title: _____

An excellent team demonstration should be informative, follow a logical sequence, and show how to do something. The topic chosen should be interesting and communicated as if the audience knows nothing about the subject. Demonstrators are only provided with a table, and must bring all other desired materials. Team Demonstrations can involve participants from different divisions but will be judged as a senior team demonstration. Suggested times: Juniors – 3 to 8 minutes; Seniors – 5 to 10 minutes.

Below you will find an evaluator's opinion as to how effective your demonstration is. Read their comments to see what they think would improve your demonstration. **Thank you for participating!**
